Pay Tribute to Elmer Cooper at
Mokena's 8th Grade Commencement

CARROLL-SLOAN WEDDING

Miss Lavonne Carroll, daughter of Mr. and Mrs. Frank Carroll of Homer township exchanged nuptial vows with Edward Sloan, son of Mr. and Mrs. Barney Sloan of Chicago, at an 11 o'clock solemn high mass in St. Catherine of Sienna church in Chicago on Saturday, May 23, with the Rev. W. Robert Burke officiating. He was assisted by the Rev. Robert A. Carroll and the Rev. Eugene Reardon.

The bride, who was given in marriage by her father, wore a bridal gown of nylon tulle over satin with cape collar and wide reverses down the front of the skirt of imported chantilly lace. A row of tiny covered buttons trimmed the bodice from the neck line to the waist, also adorned the long tulle sleeves and fastened the gown down the back. The skirt ended in a cathedral length train and a finger tip veil held in place by a coronation, pearl trimmed crown, completed the costume. Her flowers were white roses and lily of the valley arranged in the form of a prayerbook.

Her sister, Marilyn, was maid of honor and the bridesmaids were the groom's sister, Betty Sloan; the bride's cousin, Joanne Carroll, and a friend, Carol Davitt.

All wore identical gowns of light blue taffeta shantung, ballerina length, and carried garlands of pink carnations which matched their head pieces.

James Devitt served his friend as best man and ushers were Frank Carroll, Jr., Andy Sloan, the groom's brother, and Jack Delan, a friend. All of the men in the bridal party wore summer formal attire.

For her daughter's wedding, the bride's mother chose a beige linen and lace dress with pink accessories and a corsage of pink tea roses, while Mrs. Sloan, mother of the groom, wore light blue lace with navy accessories and pink tea rose corsage.

Following the ceremony a wedding breakfast was served the bridal party and immediate families at the New Casanova, Harlem and North Ave. A reception was held from 7 to 12 at the Austin Fine Arts building at 800 N. Parkside ave., attended by 300 guests who came from Chicago, Lemont, Lockport, St. Louis and Joliet as well as from Homer.

Music for the reception was furnished by a local five piece orchestra. A large square wedding cake and crystal candelabra adorned the bridal table.

Upon their return from southern honeymoon trip, the newlyweds will live in an apartment at 5719 N. Midway Park, Chicago.

Tony Bettenhausen Has Bad Luck in Indianapolis Race

Tony Bettenhausen, of Tinley Park, in whom everybody in this wide area is interested, and who ran in the Indianapolis Memorial Day 500-mile auto race, came out in 9th place. His friends were all hoping and confidently expecting that he would be winner this time.

Tony stated that during the eighth lap mechanical difficulties arose in the driving gear of his racing car, and the heat in his car was 130 degrees. Fearing that the heat might have been partly the product of his imagination, Tony turned his car over to another driver. This driver made only two laps and then turned the car back to Tony, saying he could not drive it, as there was something wrong with the driving gear. Tony took over again from there and finished the race. He plans to enter the Indianapolis race again next year.

May Crowning At St. Mary's Church Impressive Event

The crowning of the statue of the Blessed Virgin Mary took place last Friday evening at the May devotional meeting held in St. Mary's church in Mokena. Miss Rosemarie Munch placed the crown of flowers on the statue. Her attendants were Miss Rosemarie Dempsey, crown bearer, and Jeanine Wilson and Marguerite Olson.

The children's choir sang "On This Day, O Beautiful Mother," and "Queen of the May" followed by a recitation of the rosary and Benediction of the Blessed Sacrament. Father Juniper Freitag officiated.

The eighth grade commencement exercises held at the Mokena public school last Wednesday evening had two unusual aspects. One was, the speaker W. E. McCleary, now Superintendent of the West Aurora high school, was a former principal of the Mokena public school.

Many friends attended the exercises and were glad to meet and visit with Prof. McCleary again. Standing room was at a premium in the auditorium.

In his address Prof. McCleary reminisced a little, telling of the pleasant memories he has retained of his association with the school here. Several of the members of his class in those days are now serving on the board of education.

Prof. McCleary's main topic was Changing Values in a Changing World. He brought out the fact that the underlying principles of honesty, courage, determination and diligence and reverence never change. He also spoke on the splendid cooperation the teachers gave him while here in Mokena. He mentioned that he is sure he received a good part of his education while here as principal from Mr. Elmer Cooper and the late Ona McGovney, of the board of directors. From the way they handled their school business Prof. McCleary got his idea of what a school board wants of their principal. They never dictated to him, said Prof. McCleary, but here and there gave suggestions for betterment which he could mull over and adopt or reject, as he pleased. He adopted many of them. The professor said it was a real education for him to have worked under such a school board.

He especially emphasized the many years that Elmer Cooper has given to this school so the children of the community might have the best education possible. He mentioned that Mr. Cooper worked unstintingly, at all times, for the improvement of the school, and gave the best that was in him, all without thought of recompense. Many people have not the remotest idea of the time Mr. Cooper has spent for their children.

The other aspect of these memorable 8th grade commencement exercises appeared when the board of education, through their secretary, Thomas Powers of Mokena, addressed Mr. Cooper, who had previously been invited to a place of honor on the platform. In a few appropriate words Mr. Powers told of the untiring efforts of Mr. Cooper through these past 29 years as a school director, and presented him with a Resolution of Appreciation, enclosed in a gold frame, under glass, and hand-printed by an artist, with many illuminated initial letters which gave the document a pleasing artistic appearance. The text follows:

Resolution of Appreciation To
Elmer L. Cooper
Board of Education of School District 159
Mokena, Illinois.
"Whereas Elmer L. Cooper has served this community continuously for twenty-nine years as a School Director, and as a member of the First Board of Education of District 159, and
"Whereas during that period of time he has given generously and willingly of his time and energy to promote the education and well being of the youth of this community and has maintained a high standard of teaching and a just administration, and
"Whereas, it is self evident that such service should not be without recognition by those who have benefited from it:
"Now therefore, Be it
"Resolved that the Board of Education does hereby express its deep appreciation and sincere gratitude to Elmer L. Cooper for all that he has given to promote the education of our youth and the enrichment of our community; and the Secretary is directed to present this Resolution to Elmer L. Cooper on a fitting occasion."

(Signed) Lawrence Kohl,
President
(Attest) Thomas P. Powers,
Secretary
Mokena, Illinois
May 27, 1953

Mr. Cooper was taken by complete surprise, and thanked the board very cordially for the honor. He did not run this year for re-election, but it should be remembered that he brought the Mokena public school through these 29 years with flying colors, and without pay. During this long period of time the school scene in Mokena changed the old school building having been replaced with the modern school we have today.

Mrs. Elizabeth Cappel, principal, presented the class to Mr. Lawrence Kohl, president of the school board, who gave out the diplomas.

MOKENA PARK FUND STILL NEEDS \$3,000

The Mokena area park fund needs \$3000 to complete the purchase of the 25 acre park site according to a report made June 1, the date set for the completion of the fund drive. An extension of time was given to the finance committee to complete the purchase. To date \$5000 has been paid on the \$8000 purchase price, and, in addition, all costs to have the title cleared and brought up to date have been paid. The \$3000 balance, still unpaid, will bear 5% interest.

Within the next few weeks an honor roll will be prepared, listing the contributors to date. Many, who have been generous in donating, have stated that they consider it a privilege to have a part in contributing to the welfare and enjoyment of the community as a whole, in this permanent project. One contributor, who chose to remain anonymous, said, "I am happy to give to a cause such as this one. My own family may never benefit directly, but one fact alone makes me feel more than satisfied with my 'investment in the future'. I know that the boys and girls will have a safe place for their Scout and other activities and our young ball players will have a permanent field within easy walking distance from the center of town."

Dean Rueckert, chairman of the park finance committee, said "We are over the hump. Several contributors have said they are willing to add to their original contributions. Several others, who wanted to base their donation on the need shown after this first report, are going to give now. Mokena is going to have a park recreation center. We will keep on working until we reach our goal."—Florence Pitman, Pub.

Frankfort Girl to Be Delegate to Illini Girls State

One of the important phases of the American Legion Auxiliary is its sponsorship of Illini Girls State. Miss Lois Minger, daughter of Mr. and Mrs. Herbert Minger, of Frankfort, has been selected by the Bobzin-Swinford Post 1098 Auxiliary to attend Girls State. She is a junior at Bloom high school, and was rated the highest in the following qualifications: Leadership, Honesty, Character, Scholarship, Courage and Cooperativeness. Lois is also a member of the National Honor Society.

The 13th annual session of Illini Girls State will be held June 16 to 24 on the campus of MacMurray college in Jacksonville, Ill.

The purpose of Illini Girls State is to provide citizenship training, each year, for 432 Illinois girls; to afford them the opportunity to live together as self-governing citizens; to learn "by doing" the duties, responsibilities as well as the rights and privileges of American citizenship, in order that they may better understand and participate in the functioning of our government.

Illini Girls State is a mythical state patterned after the State of Illinois and following the Illinois governmental procedure as closely as possible. The girls form two political parties (non partisan) hold conventions, campaigns and elections, and perform duties pertaining to the various public offices.

Troop 90, New Lenox Girl Scouts, with their leaders, Mrs. Ernest Spannhake and Mrs. William Stoner, entertained at a very lovely supper party for their mothers, in the Lions Den, Friday evening, May 15. Supper was served at one long table covered with white linen. This picture of the Girl Scouts was taken on this happy occasion.

PLEDGE ON CHANNEL 11 IS \$500,000

The Chicago Educational Television Association has announced that it has forwarded to the Federal Communications Commission in Washington its application for the assignment of Channel 11 to Chicago as an educational television station.

Edward L. Ryerson, president of the association, in making this announcement, said that the drive for funds to establish and maintain the station will be extended beyond the original date of June 2.

The Chicago application will include the fact that nearly \$500,000 of the \$1,100,000 needed for Channel 11 has been pledged to date.

Of the \$500,000 nearly \$175,000 has been contributed by the public so far; \$150,000 pledged by the Ford Foundation and \$150,000 by the Board of Education in the form of facilities.

Originally, the June 2 deadline was set by Channel 11 sponsors to conform to an FCC ruling that television channels for non-commercial use would be reserved until then.

Now, however, this has been changed. Ryerson said advice from Washington now indicate that such reservation can continue for sometime.

Quoting from a recent public notice issued by the FCC, Ryerson stated, "The Commission held that because educational institutions require more time than commercial interests to prepare for television, a reservation of channels is necessary to insure that such stations actually come into existence. Therefore the decision of the FCC was to extend the time limit to give educational television organizations a longer period to prepare for application."

Ryerson said that Channel 11 sponsors are prepared to put the station into operation in about eight months after the FCC license is granted. The station will probably operate six days a week, five hours a day.

The Tinley Park campaign for Channel 11 will continue and those who have not mailed their contributions may do so. Contributions should be mailed to W. F. Fierke, chairman, Tinley Park Chapter, Channel 11, Tinley Park, Ill. Literature and information in the promotion of the Tinley Park campaign was mailed to over twelve hundred residents of the Tinley Park (Continued to back page)

St. Mary's School Graduation June 7

Graduation exercises for the pupils of St. Mary's Parochial school, Mokena, will be held Sunday, June 7, following the celebration of mass at 8 a.m. Father Juniper Freitag, pastor, will give the commencement address, followed by the Benediction.

The graduates for this year will be Jack Armin, Rosemary of the Blessed Sacrament, Dempsey and Rosemarie Munch. Last fall Miss Munch was awarded a scholarship to the St. Francis Academy of Joliet for placing first in a subscription campaign for the New World.

The seventh grade students will entertain the graduates with a party Thursday afternoon

FRANKFORT SMALL FRY

The Small Fry of Frankfort will hold the first game of the season at the diamond in Frankfort Monday, June 8 starting at 6:30 pm. It will be Frankfort vs. Steger.

TO ISSUE DOG LICENSES ONLY TO RABIESPR'F

The village board of Mokena met in regular session Tuesday evening, Charles E. Burkhardt, Sr., newly elected village trustee, was sworn in, having been absent at the last meeting when the other trustees were sworn in.

Announcement was made that dog licenses are now due and payable, and will be issued only to those having a certificate of rabies inoculation for their dogs.

The board passed an ordinance to issue a license to the Mokena Methodist church for their building and remodeling, subject to the approval of an attorney.

The board is making arrangements to have the grass in the village park mowed, and is also asking all owners of vacant property to keep the weeds cut on their lots.

According to the police committee, youth disturbances have only been caused here lately by groups coming in from other towns. The board is making arrangements to correct this condition.

It was voted to give \$500 to the streets and alleys committee to start the repairs and improvements to the village streets. These improvements will be completed later when the taxes are received from the State motor fuel fund. It was decided that no tile or crushed stone will be supplied for private driveways on any building permit issued after June 1. Hereafter the village has been taking care of this.

At the suggestion of Russell Anderson, trustee, the board agreed to engage an engineer from the Chicago Bridge and Iron Works at a cost of \$100 to inspect the village water tank and superstructure. Bids will be accepted for necessary repairs based upon the report of this engineer. The company that has cared for the village water tank most efficiently for the past 20 years, had a representative present at the meeting who offered to make this inspection for \$50, and stated that this amount would be refunded to the village if the company was given the work. However, they were not engaged to make the inspection.

Edward Brueser was appointed to read the water meters.

Rev. Contois Points Way to Peace in Memorial Address

A special program was held in Mokena Memorial Day, sponsored jointly by William Martin Post 725 VFW and the 51st Point Amvet Post. Services started at 10 o'clock in the VFW hall and were well attended.

The speaker was Rev. Arthur Contois, pastor of the Baptist church at Lincoln Estates, who had served four years in the U. S. service as assistant to a chaplain. In his address he pointed out that the first time he arrived on foreign soil he saw the mass of white crosses above the graves of American soldiers he began thinking about it and came to the conclusion that those white crosses were not the answer. Countless white crosses have been added to American cemeteries in foreign lands since that time, and they are not the answer. "What is the answer?" asked Rev. Contois, "only one other cross, is the answer," he said, "and that is the cross whereon Jesus of Nazareth sacrificed his life for the peace of the world."

Rev. Contois earnestly pointed out that the only way that peace can come to our country and the world is through the unity of all faiths and all peoples desiring to follow the way of Christ. The young minister's words made such a deep impression that the people were awed, and a hushed silence followed his address, instead of applause.

Following the service in VFW hall the Memorial Day parade got underway. Music for the parade was furnished by the VFW bugle corps.

Holy Name Members To Entertain Wives June 11 at St. Mary

The members of the Holy Name society, St. Mary's Parish, Mokena, will entertain their wives at their next meeting, on Thursday, June 11.

The theme of the evening is Monte Carlo and a very festive evening has been planned. Refreshments for all will be served. To be sure of a table, phone your reservation to Ker Corniels at 4591.

Frankfort Legion Post Awards Medals At Memorial Rites

Memorial Day services in Frankfort were well attended. Col. S. Charles Schwab of the U. S. Army Reserves at Joliet spoke in the school house following the services. In his address he pointed out why Memorial Day should be observed. He told of his experiences when he was in the service, of the hardships and trials undergone and reminded his audience that we should never forget what sacrifices our boys have made and are making.

During the program the Bobzin-Swinford Post 1098 American Legion, Frankfort, presented their annual medals for the essay contests conducted in the sixth, seventh and eighth grades. The eighth grade winner received a gold filled essay medal, the seventh grade winner a silver essay medal and the sixth grade winner a bronze essay medal.

All wrote on the subject, "A Great American." Winner of the eighth grade essay was Phyllis J. Stevens, who chose for her "Great American" "The Unknown Soldier." Her essay is published below. Seventh grade winner was Alan Zechlin, who chose President Eisenhower for his subject, and sixth grade winner was Terry Schroeder who wrote about Thomas Alva Edison. Seventh grade winning essay will be published next week, and the sixth grade winner the week following.

Bronze school medal awards were also made in the grade school sym at Frankfort by Bobzin-Swinford Post 1098. Award were made to Alan Mager and Janet Bauch, with runner up citations going to Dennis Wheeler and Jeanette Sievert.

The awards were made in this way; seventh and eighth graders voted for an eighth grader either boy or girl, who was outstanding in the following points: courage, honor, scholarship, leadership, and service.

Doughnut Tag Day June 12

Mrs. Clark W. Bennett has been appointed chairman for Frankfort for the Salvation Army Doughnut Tag Day. This will be held Friday June 12.

Mrs. Bennett and her corps of workers request the people to give to this worthy cause as generously as possible. Of this money so collected, 20% will remain with the local treasurer for worthwhile community service.

The other 80% will be used to support partially the Salvation Army's widespread program Booth Memorial hospital for unmarried mothers; emergency lodge for women and children; hospital for convalescents; free summer camps for mothers children and golden-agers. Skid Row and settlement and day nursery.

Establish Curfew Hour in Frankfort

At the village board meeting in Frankfort Monday evening the board created a curfew regulation, which is already in effect.

All children 16 years of age and under must be off the streets by 10 o'clock at night, unless accompanied by their parents. Fred Breyer, chief of police of Frankfort, has been instructed to arrest all children of 16 and under found roaming the streets after this hour.

The Maue school picnic held at beautiful Messenger woods Friday was well attended and enjoyed by all who participated. For the picnic each family provided frankfurters, buns and one covered dish. The PTA supplied ice cream, pop and prizes.

There were many contests with prizes for all. Mrs. Chester Williams won the first event by coming closest in her guess as to how many kernels of corn were in a jar. All contestants were winners in the fishing game for pre-school children. The peanut game was won

by the dog team, Kay, Ann, Lois, Bradley, Billy, Sandra and Joan. Prizes for the glove relay went to Ann, Lois, Dorothy Janice, Rodney, Allen, Kay Frances, Joan and Pamela. Winners in the balloon bursting game were Rodney, Kay, Dorothy, Lois, Frances and Ann.

The fleet footed youngsters who won the races which were run by grades were: first grade Allen Andresen and John Stellwagen; second grade Bradley Gale, Joan Stellwagen; third grade, Lois Froemel, Ann Lembke; fourth grade, Melvin Perzee, Kay Maue; fifth grade, Frances Molitor, Carla Mrosek; sixth grade, Arthur Maue, Reed Williams; seventh grade, Sandra Felsch, Sharon Laufer; eighth grade, Carol Molitor, Darrell Erickson.

Then surprised but approving children watched mothers compete in a shoe kicking contest. Mrs. Owen Maue's shoe sailed through to take first prize and Mrs. Hazel Brown's shoe zoomed in for second prize.

Big league couldn't offer any thing more exciting than the

ball game which followed. There was neither umpire or captain. Opposing sides were straw bossed by Darrell Erickson, graduate of this year, and Edward L. Mrosek, graduate of last year. In a fast moving game Darrell's team kept the lead until the last inning when Ed's team came through to take an 11-9 victory. Except for Mr. Williams and Mr. Henning who seemed a bit worn the teams galloped back for the up-to-then forgotten and fast melting ice cream.

Thus it was that another fine year in the history of Maue school was brought to a close. May its teachers, Mrs. Lembke and Mrs. Brown and its students have pleasant and enjoyable vacations. May its graduates, Darrell Erickson, Ronald Gale, Carol Molitor, Richard Thomas and Ronald Gawlik, have continued happiness and success full futures.

Maue school children and their teachers, Mrs. Lembke and Mrs. Brown, enjoyed a field trip to the Meadowgold dairy in Joliet Wednesday. After observing the methods used in the processing of dairy products, management treated them to ice cream bars. The trip was made by bus.

Mr. and Mrs. Joseph Albert are leaving Tuesday for a sort of will-o-the-wisp vacation. With destination unknown, they intend to head out and let fancy dictate their course for the next two weeks.

The Alpine girls 4H club will meet at the home of Mrs. Harwood Stellwagen Monday, June 8 at 8 p.m. Mrs. Stellwagen would like all girls enrolled in the sewing project to bring their work and be prepared for a busy evening.

Miss Rose Kovar and brother Fred, drove to Wayland, Mich., to visit their father, Stefan Kovar, over Memorial weekend. Charles Henning attended the Calumet-Sag luncheon meeting at the LaSalle hotel in Chicago Wednesday. The guest speaker was Henry F. DeBardeleber who is president of the Mississippi Valley association. The luncheon was sponsored by the Chicago Chamber of Commerce.

The Melvin Perzee family had quite a hectic week. Wednesday the Mokena Volunteer fire department was called to their home when Mrs. Perzee discovered a chimney fire. Fortunately the damage was very slight Thursday their youngest boy Johnny, fell and cut his chin. He was treated by Dr. McMahon in the doctor's office in Mokena. As if that wasn't enough, their dog was run over and killed while chasing a squirrel across the highway Friday.

Visitors at the Perzee home for a picnic supper Sunday were Mr. and Mrs. Joe Norwood and family and Mr. and Mrs. Gary Koning and family, all of Chicago. Raymond Selcke of Hinsdale and Miss Adeline Denarc of Broadview were also present. Mrs. Stuart Culp attended a card party given for the benefit of the Eastern Star at the City Furniture Co. in Chicago Tuesday.

Mrs. LaVerne Alexander and children, Lowell and Larry, of Chicago, are visiting at the home of her parents, Mr. and Mrs. Stuart Culp, this week.

Mr. and Mrs. Edward Mrosek and children visited with his parents, Mr. and Mrs. Gust Mrosek in Chicago Friday evening. While there they learned that his brother, Gust Mrosek, Jr., who is a patient in Woodlawn hospital is improving and expects to be home soon.

Frankfort.

Mr. and Mrs. Louis Pelkey of New Lenox were guests of the John Loucks' Tuesday.

The Joe Penkaskus family and Albert Schwab left Friday morning for a week's vacation in the Ozarks.

Mr. and Mrs. Otto Konow and George Bump Sr. returned to their home here Thursday evening from Denver, Colo. Mr. Konow motored there last week with Walter and Raymond Borkoski and the latter's son Robert. Raymond entered a sanitarium in Denver and Robert remained with his father. Mrs. Konow's health is only slightly improved.

Eighteen relatives from Chicago, Elgin and here gathered in the Erwin Lynk home for picnic dinner Saturday and several of them remained over night, returning to their homes Sunday.

Mr. and Mrs. Arthur Shepherd entertained a large group of friends at their home on Bruce road on Decoration day.

Norma Loucks has been detained from her work by illness for several days.

Rev. H. M. Finley supplied the Homer church pulpit Sunday morning.

Henry Burch, Mrs. Ira Anderson, Putnam Milne and Lewis Barr were dinner guests in the Frank Milne home Saturday.

The prudential committee of Homer church will meet at the church Friday evening at 8 o'clock, June 5, to plan the budget for the fiscal year which began June 1. All church officers and heads of each affiliated group is a member of this committee and is urged to attend this important meeting.

William Roberts is in Silver Cross hospital recuperating from injuries received in a train accident in which he had two teeth knocked out and was severely bruised. The accident happened while he was at his work of engineering.

Mrs. Marie Ott of Lockport is announcing the engagement of her daughter, Frances, to Robert Langlois of New York state. The wedding will take place late in June. Frances is the granddaughter of Mr. and Mrs. C. G. Rowley of here and a former Homer resident.

The Hi-X club ate picnic sup-

per in Messenger Woodlands Sunday evening. The C. A. C will meet at the church Saturday evening, June 6. At a recent election Mr. and Mrs. Bruce Anderson were made chairmen Mr. and Mrs. Robert Jungles, cc treasurers, and Mr. and Mrs. Jerome Paddock, social chairmen.

The Hadley school building committee are completing plans for the addition to their building and expect to vote on a bond issue soon.

Mr. and Mrs. Val Huckfeldt and family of St. Louis were last weekend visitors in the Frank Carroll, Sr. home.

Mrs. Marie Ott of Lockport is a Silver Cross hospital patient suffering from an injured back.

Mrs. Mary Meyers visited her son Fred, in Silver Cross hospital Thursday.

Mrs. Ethel Ruth and Mr. and Mrs. Willard Ruth and baby daughter of Bloomington, Mich. visited over the weekend in the Harry Sproat home, and with other relatives at Worth.

Mr. and Mrs. Robert Stocker of Wichita, Kans. and Mr. and Mrs. Wright Woods of Frankfort

were Sunday afternoon callers in the Henry Sproat home. Mrs. Stocker is the former Lucy Kase

SUBMERSIBLE PUMP**

Here is an ideal pump for farms, suburban homes and other places where high volume is required and the well is deep! The entire pumping unit, including the motor, is completely submerged in water. The motor, water-cooled and water-lubricated, pushes the water up the service pipe. Most economical pump to use!

Offers these features!

Pump is always primed • No rods or shafts to warp • Only one pipe needed inside well casing—the same pipe that holds the pump is also the service line • Pressure tank may be set over or away from well • Has long life—made of bronze and stainless steel • Easy to install • Pumps efficiently at depths as low as 400 ft. • Delivers as much as 1600 g.p.h. at shallower settings.

**Willis J. Murdock
Retires From
Public Service Co.**

Willis J. Murdock retired June 1 from his duties as superintendent of the Joliet district for the Public Service company, it was announced by Ralph Raymond division vice president.

A veteran of nearly 39 years in the public utility business Murdock has spent his entire career in Joliet. He started his business life in November, 1914 when he began work for the former Western United Gas & Electric company. Five years later he was made superintendent of the Lockport gas plant and in 1927 he was promoted to district gas manager.

He served in the latter position until 1951 when he was named district superintendent and placed in charge of both electric and gas commercial activities in the Joliet area following the merger of Western United into Public Service Company.

Raymond also announced that Verne L. Hahneman, division sales manager at Joliet for the past five years, would succeed Murdock as superintendent of the Joliet district.

Hahneman, who has spent much of his utility career in Joliet, started work with Public Service at Oak Park following his graduation from the University of Illinois in 1926. He subsequently worked as a sales supervisor in Waukegan before coming to Joliet where he served from 1929 to 1940. He was transferred from Joliet to Chicago in 1940 for a four-year period returning in August, 1944. He has since served in commercial and sales executive capacities in Harvey and Joliet.

BABSON SAYS—

Copyright—1953—Publishers
Financial Bureau, Inc.
Babson Discusses the Housing Problem

Many of my readers fear that if rents are decontrolled in certain areas where they are still under control, rent prices, like the prices of coffee, will skyrocket. I don't believe this will happen today. Here's why.

Rental Trends
Ever since 1940, fewer and fewer rental units have been constructed. Fifty five per cent of all housing units now in existence are owner occupied, compared with a 45% home ownership just before World War II. This trend has increased even more sharply in the last three years, so that in 1951-52 only 12% of the new housing starts

were rental units! Despite the fact that new rentals have decreased sharply, I believe the supply will be sufficient to satisfy demand and therefore, keep rental prices down. My reasons for this belief come from the fact that the building market since 1946 has been an ownership market. The desire for ownership is inherent in democracy. It has been stimulated by such factors as: (1) the high income levels of the war and post war years, (2) the accelerated rate of marriages due to war, (3) the desire to "undouble" and have a home of one's own after the war, and (4) the threat of atomic warfare and industrial decentralization causing a shift to suburban living.

Housing Demands and the Business Cycle
Full employment and high wages go hand in hand with new housing starts. Barring war, we may have reached the peak of both the employment and the building boom. New household formations, due to marriages and setting up of independent family units remained far ahead of the residential building rate from 1930 to 1950 with new housing starts about four and one-half million behind family starts. However, since 1948, new housing units have been at an average rate of one million per year, and, for the last three years, there have been more new housing starts than new families.

The demand for new homes could soon taper off because of the low birthrate that prevailed from 1930 to 1938. It is these few depression babies who are now reaching marriageable age. This factor, plus the return to business normalcy (lessened demand for goods, lower wages and less employment), could ease the housing situation.

Rental Costs and Decontrol
While the earnings of most industrial workers have risen over 200% since 1935-39, rent for moderate-income families have increased only 40% during these years. On the other hand, prices of many other commodities and services have increased about 100%. Monthly middle class rentals in fourteen leading metropolitan areas averaged \$93 in 1950. Today the average is \$100. With average rentals of \$100 and average annual incomes of \$5,000, renters are paying about 24% of their gross income for housing. This is a fair percentage.

The group that might feel the pinch most if rent controls were lifted in restricted metropolitan areas would be the lower income city dwellers, who pay about

15% of their gross earnings on \$3,000 to \$4,000 on contract rent. In nine cities decontrolled in 1950, gross rents increased on an average of 15% by 1952.

City Versus Suburban Rents
Suppose that controls were lifted in presently controlled city areas and rents did go up 15% per month, what then? This would bring rentals for low income city dwellers up to about \$50. Since landlords can not afford to build houses to rent for even \$50 per month many will move to the suburb and buy a small house.

Hence, the demand for small suburban ownership homes might remain high, with as many as could afford it moving out of the large cities to live in their own small new houses. This, in turn, might leave more rental units available in the cities. As more such rentals became sub standard, city rental prices could even decrease and would therefore, be little affected by decontrol. Suburban rental could, however, be expected to hold their own and, in some areas, increase slightly, as long

as business holds to present levels.

IVC News

The Illinois Veterans Commission today urged widows of World War I veterans who were disqualified from pension benefits due to income limitations to apply for 1953 payments if they anticipate an income below the set limitation.

Pension benefits are granted

widows, who meet all qualifications, and whose income is less than \$1400 without dependents or \$2700 with dependents.

Eligible widows who file a statement of anticipated income may be placed on the pension rolls immediately.

Widows of World War I veterans whose death was not service caused, but who were receiving or entitled to receive compensation at the time, may also qualify.

Additional information and

application forms are available at the offices of IVC service officers throughout the state.

In Will county, veterans should contact the Illinois Veterans Commission service officer at noon.

201 North Ottawa Street in Joliet, Illinois.

The office is open daily between the hours of 8:30 a. m. and 5 p. m. and on Saturday until noon.

The De Laval Combine Milker AND REFRIGERATED FARM TANK CUT COSTS...INCREASE PROFITS

*The De Laval Combine Milker and refrigerated farm tank comprise a single milk producing unit which provides a straight flow of milk from cow to pickup tanker—without handling!

Milking the greatest number of cows with the least amount of help . . . getting the milk from the farm to the milk plant at lowest cost and with minimum handling . . . producing higher quality milk and getting paid for all of it . . . cutting down the loss and waste of rejected milk—these and many other advantages are being enjoyed right now by dairymen using the De Laval Combine Milker with refrigerated farm tank.

This De Laval Combine Milking system is truly straight-line milk production with every bit of non-profitable walking, carrying, pouring, straining and can handling eliminated. Ask us for the full story today.

*At the milk plant the pickup tanker ties directly into the plant milk line and becomes, in effect, the holding tank and receiving room. The savings to both milk producer and processor are obvious.

Reminding you all once again about the school picnic that will take place June 7 at Van Horn woods. The lunch will be potluck. Games will be played by the children and ice cream will be served by the Community club. This will be the last meeting of the Community club until September.

Mr. and Mrs. Roman Nowicki entertained Mr. McDowall of Chicago at dinner Sunday, also Mr. and Mrs. D. Mayer and children of Forest Park dropped in later.

Mr. and Mrs. Roy Petersen and children left Friday evening for Sullivan, Ind. where they visited for the rest of the week end with Mr. and Mrs. Lorenzo Clark, aunt and uncle to Kay.

Mr. and Mrs. Paul Korsgaard celebrated their 26 wedding anniversary May 28. Congratulations Marie and Paul.

Sunday the Korsgaard family spent the evening in Chicago to celebrate Mary Ann's birthday. Mary Ann is the eldest daughter and mother of two lovely children. Happy birthday Mary Ann.

Mr. and Mrs. Wm. Malloy attended a party Sunday in Chicago, honoring the christening of their month old nephew Timothy Malloy.

Mrs. Pat Cullen and children had as a luncheon guest Friday the children's teacher, Mrs. Gladys Roth.

Mr. and Mrs. Geo. Kranz entertained at a picnic dinner Memorial Day. Their guests were Mrs. Kranz's sisters, Mrs. Linton and Mrs. Deasey. Also present were Mr. and Mrs. Robert Linton and family, Mr. and Mrs. Thomas Deasey and family, Mrs. Margaret Baer and Karen Linton, all from Chicago.

Mr. and Mrs. Charles Krugh have been ill with colds, but are feeling better now.

Miss Ann Rabeiga has returned to work after spending a week's vacation at home.

Mr. and Mrs. Edward Starsine visited with Mrs. Rose Rabeiga Sunday.

Edward Barrett has been ill for several days, but is improving. Daughter Karen is recovering from chicken pox.

Mr. and Mrs. Robert Berls entertained Miss Mary Quintenz and Mrs. Helen O'Heir, Memorial Day. Miss Quintenz is Mrs. Berls' sister.

Mr. and Mrs. Marcel Halik entertained Mr. and Mrs. Elmer J. Polivka and children for dinner May 30. Grandma Halik left for the city that evening for a short visit with her daughter Mrs. Polivka.

Mr. and Mrs. Dan Owen entertained Sunday evening, Mr. and Mrs. B. Neidles and family of Worth and Mr. and Mrs. C. C. Schultz and family of Wheaton.

Anyone wishing to pay their 1953 dues to the Home Owners association may do so by getting in touch with Mrs. Marcel Halik on West Circle drive.

Mr. and Mrs. Ben Wahl of West Circle drive entertained Sunday in honor of their daughter Darlene's graduation from St. Jude's school in New Lenox. Those present were: Mr. and Mrs. Joe Wahl and Mr. and Mrs. Fred Van DerWers of Chicago.

Mr. and Mrs. Louis Zeleznik, Mr. and Mrs. Mervin Spice and daughters, Mr. and Mrs. Joe Spice and Mrs. Norma Gear and family from Joliet.

Miss Louise Thode returned home after spending a week's vacation in Miami, Fla. with five

friends. They flew to Miami via Eastern Air Lines and stayed at the McFadden Deauville hotel.

Perhaps it would be nice to mention at this time, now that school is out and all the children will be out playing, to ask all drivers of our community, to take extra precautions in driving and slow down and keep a watchful eye.

Suburban Children Await Opening of Swim Campaign

Thousands of suburban boys and girls 7 to 11 years old in the Chicago area this summer literally will get the chance of their lives when the 9th annual, free Learn to Swim Campaign officially gets underway July 6 reports Ralph Town, Chicago Chapter Red Cross Water Safety representative who lives at Roney Lane, Orland Park.

Many of the suburban programs will start as early as June 15.

A total of 3,544 children earned Red Cross swimming certificates in 37 suburban pools during the campaign last summer and 7,428 others learned to swim in 100 Chicago Park District Board of Education, and camp pools in the Chicago area.

More than 150,000 have earned Red Cross certificates since the program's inception, Adolph Kiefer, volunteer chairman of Chicago Chapter Red Cross Water Safety Department, reports.

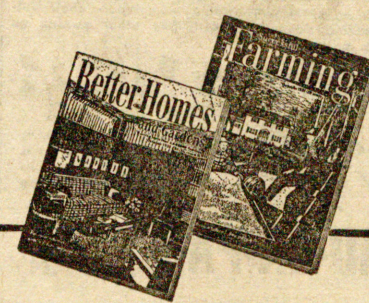

The objective of the program is to teach the child to take care of himself in deep water and swim at least 30 yards. Each student will receive an average of 15 lessons during the summer campaign. James H. Carnahan, Director of First Aid and Water Safety for the Chicago Red Cross Chapter reveals that drownings have been reduced 50 percent in the United States since 1910 when Red Cross began extensive swimming program.

Instruction is free, but students will be expected to pay a dip fee in those pools where a fee regularly is charged for swimming.

Christian Science Churches
Right reasoning and divine logic reveal Mind, not matter as the origin and source of all that is real and eternal. This will be explained in all Churches of Christ, Scientist, on Sunday June 7. The subject of the Lesson-Sermon will be God the Only Cause and Creator.
The Golden Text is from Jeremiah (10:10-12) "The Lord is the true God, he is the living God, and an everlasting king: He hath made the earth by his power, he hath established the world by his wisdom, and hath stretched out the heavens by his discretion."
Bible selections (King James Version) in the Lesson-Sermon include:
"I have not spoken in secret, in a dark place of the earth: I said not unto the seed of Jacob, Seek ye me in vain: I the Lord speak righteousness, I declare things that are right." (Isa. 45:19).
Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:
"In the material world thought has brought to light with great rapidity many useful wonders. With like activity have thought's swift pinions been rising towards the realm of the real, to the spiritual cause of those lower things which give impulse to inquiry. Spiritual causation is the one question to be considered, for more than all others spiritual causation relates to human progress." (pp. 268 170).

The annual children's day and church and Sunday school picnic will be held June 7th. "A Church for all Christian people"

The mere announcement of the completion of a 10 year service as minister of St. John's Evangelical church from the pulpit, by the Rev. William J. Riemann last Sunday has brought forth many commendatory statements and letters. The following is typical: "May I express my gratitude for the ways you are helping me to find hope, peace, contentment and happiness in the the worship services, the words, the prayers, the music and the reverent atmosphere of your church."
Rev. Riemann came here 10 years ago from St. James United church of Chicago. This church originated from a union of an Evangelical and a Presbyterian church in the northtown area. The progressive and friendly spirit of this church prompted the pulpit committee to seek the services of its minister for the Mokena church. One of the members expressed himself in this manner: "This is the spirit we need in our church in Mokena." The steady growth of popula-

tion in the Mokena area during recent years coming from many different religious backgrounds has sharpened the need for a church for all Christian people in a community too small to adequately support churches of various denominations.

*You'll Make Even-Curing Windrows...
Get Better Hay-*

with a **JOHN DEERE**
SIDE-DELIVERY RAKE

Gentle handling and properly-formed windrows that cure evenly assure you of leafier, higher-quality hay when you use a John Deere Side-Delivery Rake.

The John Deere offers you four-way assurance of gentle handling and proper curing. The floating cylinder follows ground irregularities to get all the hay... curved teeth lift it into loose, airy windrows with leaves inside, stems outside for proper curing... inclined frame guards against leaf-shattering "roping" or compressing the windrow... slow-turning, ground-driven reel does not kick or toss the hay.

See us soon for complete information about a leaf-saving John Deere Side-Delivery Rake.

Four important practices
pioneered by State Farm Mutual
save members millions of dollars
over ordinary insurance costs!

- With State Farm's original—different—insurance plan you pay the cost of a local agent's sales commission only once. After that you pay only for insurance; a real saving every time.
- Careful drivers are the ones State Farm aims to insure... fewer accidents keep costs down.
- State Farm's unique semi-annual method of prepaying premium notices enables State Farm to gear rates to members' recent driving records. In the last four years, rates have been reduced more than \$18,000,000.
- All these company advantages are shared mutually, and the savings which result benefit State Farm members.

A large number of members were present last Thursday evening at our regular Post meeting. This is encouraging to the commander and his staff of officers. May we look for more members present at the next meeting, Thursday evening, June 11.

cussion and its approval was the operation of our club. In the near future Wm. Martin Post will inaugurate a new policy of regulations concerning the club. Commander Hurley has reappointed Comrades Wm. Schult, Fred Steinhagen, and Clarence Werner on the house committee for the new year. Any person or persons desiring to rent the hall for any occasion contact the above named persons and they will make you a deal that will meet your requirements, and reasonable too.

Comrade Fred Hentsch who has been confined in Hines hospital for several days was home over the week end, but reports back Monday for further treatment. He is much improved. We wish to thank all who took

part in our Memorial Day parade and the many friends who attended the event.

The next games night will be Friday evening, June 12. Every body is invited to come. —Glenn C. Peterson, publicity officer.

Frankfort Girl Scouts Hold Investiture Rites

Saturday, May 16, the Girl Scouts of Frankfort Neighborhood held their Investiture ceremonies at the Frankfort village hall.

Mrs. Lester Heisner of Troop 93 had her girls present the flag, which was followed by the pledge of allegiance to the flag and the singing of "America."

Eleven Brownies participated in the Fly-Up ceremony after which the leaders gave them their pins and welcomed them into the Intermediate troop.

The Brownies who won their Fly-Up pins and badges were Leanne Schroeder, Diane Kellogg, Jo Ann Johnson, Mary Grotewald, Karen Geuther, Lita Englebratt and Jeanette Diest.

Twenty new girls were invested in the Scouts. The Promise was given and the three candles lit, one for each part of the promise. Ten girls gave the laws and ten girls gave the explanation of the laws. After the leaders pinned their pins or the girls sang "When E'er You Make a Promise."

Several girls from the troops 93 and 94 had earned badges in various fields and were awarded the badge they had earned.

Two new Troops have been started in Lincoln Estates. The girls in the new troops who were invested as Girl Scouts were Nancy Albrecht, Carole Baker, Donna Brouillette, Gail Carter, Ann Edstrom, Sharon Flora, Jean Gudgeon, Marjorie Hermanek, Beverly Kluth, Yvonne Lilly, Carol Sporkluc, Elaine Studnicki, Patricia Vaughn, Judith Wheeler, Judith Wiegle and Barbara Kaehler.

Mrs. Vivian Kluth and Mrs. Kay Cummings were invested as Co-leaders in Lincoln Estates. The committee women for the new troops invested were Mrs. Elsie Studnicki, Mrs. Vera Kaehler, Mrs. Rosemary Wheeler, Mrs. Mildred Brouillette, Mrs. Patricia Machtemes, and Mrs. Baker.

Mrs. Ernest Spanhake of Lincolnwood told the girls of her life in Germany as a girl Scout or Guide and also answered many questions the girls asked about the life in Germany. Her talk was most enjoyable and informative, the mothers who attended enjoyed it as much as the girls. After her talk she pinned the International Friendship pins on the girls.

Refreshments were served by the troop committees following the program.

Mrs. H. Barlewort, Once of Frankfort, Dies in Chicago

Mrs. Flora H. Barlewort, 65, of 1222 105th street, Chicago, a former resident of Frankfort, died Saturday at the Jackson Park hospital, in Chicago, following a long illness.

Mrs. Barlewort came to America from Germany. In 1953 she moved to Mokena and lived there 10 years, when she took up residence in Chicago.

Surviving her are her husband, Henry of Chicago; two sons, Gerhard and Werner, of Los Angeles; four brothers, and a sister, all of Germany and two grand children. She was a member of the Royal Neighbors of America.

Services were held Tuesday afternoon from Hirsch chapel in Tinley Park. Burial was in Pleasant Hill cemetery, Frankfort.

ICC Grants R. I. Permission to Consolidate 5 Runs

(CNS) The Illinois Commerce Commission Friday gave the Rock Island railroad permission to consolidate five runs between Chicago and Blue Island into three runs. The railroad's request to consolidate four more runs into two runs was denied.

The consolidations granted were: The 8:05 a.m. and 8:20 a.m. runs leaving Blue Island will be combined into a single run leaving at 8:15 a.m.

The 4:22 p.m., 4:35 p.m. and 4:55 p.m. trains from Chicago to Blue Island will now leave at 4:28 and 4:45 p.m.

The ICC denied the following requests by the railroad: To consolidate trains leaving Blue Island at 4:05 a.m. and 5:57 a.m. into a single train at 5:30 a.m.

To consolidate trains leaving Chicago for Joliet on the Rock Island Main Line at 6:01 p.m. and 6:25 p.m. into a single run at 6:15 p.m. However, the train which formerly left at 6:25 p.m. will now leave at 6:15 p.m. The new runs are expected to go into effect by the end of next week.

Robert Mattsey Granted Divorce

Robert P. Mattsey, of Mokena, was granted a divorce from Betty J. Mattsey, after a hearing in Circuit court Wednesday, May 27. The couple had lived in Mokena for several years. The decree was granted on grounds of desertion. Mr. Mattsey told the court that his wife left him in December, 1951.

He was given custody of their four children.

From where I sit ... by Joe Marsh

A Little Headwork Saves a Lot of Footwork

"I don't ever aim to give up fishing," Pappy Hayes said one day— "but the older I get the less I like hiking over to Pike's Creek. Guess I'll have to bring the fish nearer to me."

So Pappy got his nephew to bulldoze down about three acres of bottom land. Then he dammed up the little stream there.

He wrote the U. S. Fish and Wildlife Service, in Washington, and got some "blue gills" and bass to stock it—free. Pappy's idea wound up giving him (and us) just about the best fishing

pond in the county ... right in his own back yard.

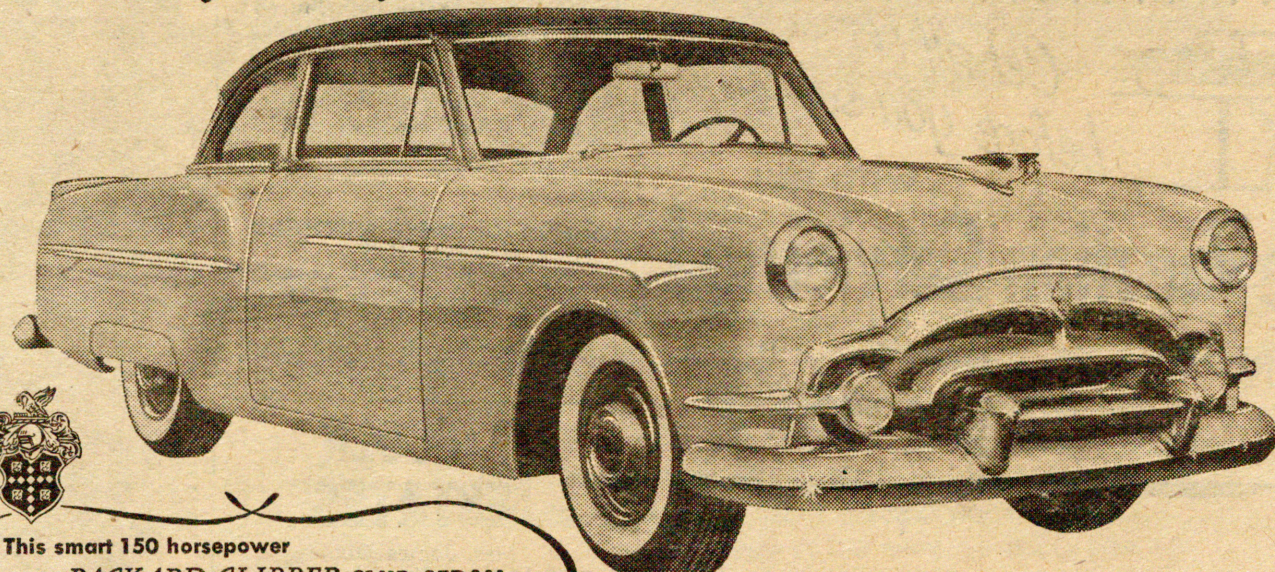

From where I sit, Pappy may be older than some of us but his mind is active—and open. He's ready to listen to anybody with an idea. That's why he and I can talk on any subject—sometimes about his preference for butter milk and mine for beer. And though we disagree, we respect each other's opinion. That's neighborliness without a "catch" to it.
